

Year 3 Parent Planner - Autumn 2020 Rock of Ages

As Historians we will

Decide if we would have survived the Stone Age.

Explore Skara Brae and Stonehenge, become a copper smith, create a museum.

In PSHE we will understand how to be part of a class and appreciate our talents. We will solve problems, learn how to calm down and how to support one another.

We will be proud of being an individual.

AREAS OF LEARNING

As Readers we will.....

Analyse a range of non-fiction texts in order to model our own.

Develop our predictions skills and how we use evidence from the text to back up our ideas.

Share our ideas and opinions about the class story, The Iron Man by Ted Hughes.

As Writers we will

Write persuasive letters from Duncan to the crayons.

Learn and perform The Promise.

Write advertisements and menu based on The Iron Man.

As Mathematicians we will

Understand place value.

Learn a variety of methods for the four operations (addition, subtraction, multiplication and division), including written methods.

As Scientists we will

Investigate, identify and group different rocks and soils. Explore and understand where and how fossils are formed.

Understand how our bodies work, particularly skeletons and joints.

As Artists we will

Draw and sculpt our designs using arrange of materials.

Study the work of Pablo Picasso and focus on his use of line and shape.

We will create our own sketchbooks to record our observations and review our ideas.

As Designers and Makers we will

Create and build our models, developing them to add movement.

As sportspeople we will ...

Develop our ball skills by practising Football and Netball. We will begin to look at tactics and games plans.

As Computer Scientists we will

Look at the history of technology, learn how to stay safe on the internet and develop our word processing skills.

The key questions we will investigate in RE are:

What do Christians learn from the creation story?

What is it like to follow God?

What is the Trinity?
