

SNAG

This term St Andrews S.N.A.G* team (*school nutritional action group) have recently been given tasks to help with the school's nutritional needs alongside F.T.T.F.* (*Food tasting task force.) Those tasks include: finding ways to reduce school waste, checking if posters in the lunch hall are having an impact on the volume etc. S.N.A.G and F.T.T.F are also trying new meals and puddings to be added to the menu later in the year. The most recent tested meals in the school are Butternut rice loaf and Butterscotch pudding.

Healthy Lunchboxes

SNAG monitored our healthy lunchboxes last week and children were given a sticker and certificate for their healthy food in their lunchbox:
