Dear Parents

Having just heard about the lockdown that begins at midnight tonight, I would ask that ALL children remain at home tomorrow whilst I hold a meeting with staff to organise the provision for key worker parents from Wednesday and our online learning provision for other pupils.

Whilst I had prepared for this, I was not expecting it quite so suddenly and there are a few urgent considerations and procedures that staff need to discuss. I realise this is very difficult for some of you, but it is hoped that our online learning platform will make home learning a little more supportive this time around.

I do need to check key worker status this time around, but will contact those families eligible during tomorrow to discuss our key worker bubbles for Wednesday.

If you are able to give us tomorrow to sort out the details of this new lockdown I would be grateful. If, however, you are in difficulty, please ring school first thing in the morning.

Thank you for your understanding.

Sincerely

**Karen Walker**
