

SNAG

This term SNAG thought that it would be a good idea to have a 'Weed Week' in order to clear the garden ready to plant seeds after Easter. Every class was challenged to collect as many weeds as possible, and in total 6 buckets of weeds were collected and composted.

We would really love some volunteers to come and help each class garden weekly, so if you might be interested, please talk to your child's class teacher. We also talked about ways to reduce the noise in the dining hall at lunchtime, and will be trying some ideas out next term. C

Class 5 have been monitoring 'Healthy Lunchboxes' and certificates will be awarded at the end of term.

RE Day - Trinity

On Wednesday 20th March, the whole school learnt about 'The Trinity.' Reverend Andy led a worship on the Monday of that week to introduce us to the idea. He explained that The Trinity is three things that make one thing; God the Father, God the Son and God the Holy Spirit. They are all God on their own and together. On the Wednesday, we took part in all sorts of activities that helped us to understand this idea better. We made Trinity bracelets, Mobius loops, stained glass windows, designed symbols, represented in diagrams and looked at artwork and sculpture. At the end of the day, Reverend Andy led a worship where we shared and celebrated our learning. We had great fun taking part in these activities and learnt an incredible amount about The Trinity and how complex it is.
