

# SNAG

S.N.A.G, which stands for School Nutrition Action Group, is a group of a pupils and staff that comes up with ideas for new school dinners and ideas to improve lunchtimes. This term, they came up with ideas to reduce the noise in the hall at lunchtime. Some of these ideas were making posters, giving out lunchtime stickers and monitoring the lunch queues. We designed some stickers for the mid-day supervisors to use for the table that are talking quietly to each other.

We are looking forward to seeing which ideas work best.

We have also decided to do our 'One Pot Challenge' for the Fete. Each child will be given a small nasturtium plant to grow ready for judging at the School Fete on 6th July. There will be a prize for Best in Show.

# Parents to Lunch

Our parents have been invited to lunch again this term. The children are delighted when they come to visit them and eat lunch with them. All the parents are very complimentary about their school dinner and many of them thank Mrs Carpenter personally.

Next term parents will be invited to try our roast dinners (probably because Class 5 & 6 are at Osmington and so there will not be as many for lunch). We hope you enjoy it.

## HEALTHY LUNCH BOX CERTIFICATES:

**Children have received Healthy Lunchbox certificates again this term.**

**These were chosen by representatives on our SNAG group**
