

# ST.ANDREW'S MEDIUM TERM PLANNING SHEET

**CLASS: 4**

**YEAR: 2017-2018**

**TERM: Summer**

Music

We will continue with recorder lessons but, in addition, will investigate cultural

Mathematics

At the beginning of this term, we will be looking at decimal numbers; focusing on understanding the place

Science

We will be finding out about food groups and healthy balanced diets. They will study the human digestive system and how food is transported around the body. They will investigate teeth and what causes decay.

Literacy

This term, we will start our literacy by studying the poem "Junk". We will understand rhythm and rhyme; innovating the poem to create our own.

## Around the World

Use search technologies effectively to study Asian countries, then present the information using appropriate programmes. Use programmes to collect, analyse and present data.

learning about money. We will also spend time learning to tell the time and read timetables.

After half term, we will start to read and interpret statistics; including recording and presenting our own data

Throughout the term we will constantly revisit the four operations;

PE

- Swimming
- Athletics
- Rounders
- Tennis

We will write explanation texts about the digestive system, presenting them appropriately, using scientific facts and languages.

In line with our topic, we will read and rewrite tales from other cultures.

Art and DT

We will be creating under the sea pieces of art, in preparation for the annual art exhibition. We will then investigate, sketch and watercolour cross-sections of a variety of fruits and vegetables. Our key questions this term will be: What is the best ways for a Jew to show commitment to God? In DT we will be taste testing lots of different types of food from many different cultures. We will then chose dishes to cook and eat as part of a class lunch.

Topic

We will be using our map and atlas reading skills to locate the world's countries across all the continents. We will focus on learning about specific country's key characteristics, geographical features and cultural aspects.

Homework

Homework will go out on Thursday and due back the following Monday. Spellings will go out Monday and be tested the following Friday
