Cost is £3:00 per session (first session free)

Run By – **Ivor Welfare**, FA Level 2 Coach.

About Ivor :

I am a qualified FA Level 2 football coach, with all of the necessary certificates to coach football ie – Level 2 Coaching Badge, DBS (CRB) cleared, Emergency Aid trained, Child Safety Cert and probably most importantly 20 years experience of coaching children. I am also a Member of the FA Licensed Coaches Club which provides back-up support if I need it.

I run these sessions on behalf of **Salisbury Youth FC**, where I have coached & managed childrens teams for some 15 years

I aim to provide children with more than just a knowledge of football. My intention is to improve their Physical skills, Social skills, their Communication skills, their Respect for others and I hope a real love for the game of football that I am passionate about. That might sound a bit serious but actually all we will do is go and have fun for an hour with some footballs, some bibs, some cones, some goalposts and I hope a huge amount of enthusiasm.

Please contact me for more details or to book a place.

Regards, Ivor
