

# Year 1 Parent Planner - Autumn 2018 - 'Lift Your Teacher'

## Possibilities

Which helps our children to build aspirations and become open -minded, inquisitive learners.

As open minded learners we will discover, plan, experiment, evaluate and adapt our learning

## Spirituality

Which helps our children develop an appreciation and respect of the intangible. (Truth, love, goodness, compassion.)

In our Spiritual and Moral development we will develop respect of ourselves and others and their ideas. We will develop a respect for insight and reflection, as well as knowledge and reason.

## Community

Which helps our children to build an active understanding of their world

As active members of the community we will be creating stories for others to enjoy and understanding how mechanisms work.

## AREAS OF LEARNING

### As Mathematicians we will...

be learning to count, read, write and order numbers. We will explore place value and learn how to represent numbers in different ways. We will learn to count on and back in ones. We will learn to count in multiples of 2, 5 and 10. We will use objects to help add and subtract then write our answers using jottings and sums. We will begin to learn the addition and subtraction facts for each number to 20.

### As Scientists we will ....

learn about the different materials that toys can be made from. We will learn the names of materials and sort them by their properties.

We will also learn all about our senses.

### As Readers we will...

develop our reading skills by securing letter names and sounds. We will practise reading the high frequency words and blending real and nonsense words using our phonics.

### As Writers we will...

learn to spell words by breaking down the sounds and writing the letters we hear. Our writing will be influenced by princesses, princes and castles. As well as the odd dragon! We will write captions, labels and evaluations

### As Musicians we will....

sing a variety of songs and using musical instruments to help us understand beat, rhythm and pitch.

### As Designers and Makers we will ....

explore catapults and levers. We will be creating our own and catapulting corn flakes into targets and creating lever characters to help tell stories.

### As Sportspeople we will ...

be gymnastics and we will be focussing on different ways of travelling and we shall be creating a selection of different dances. **Please make sure that your child has a named P.E. kit in school at all times.**

### As Computer

### Scientists we will ....

look at online safety and how we can stay safe.

The key questions we will investigate in RE are: Who made the World? What do Christians believe God is like?
