2<sup>nd</sup> October

Dear Parents,

In support of the learning that we are doing in both Literacy, and across the curriculum, Classes 5 and 6 will be visiting Salisbury Museum on Thursday 12<sup>th</sup> October. Whilst there, we will visit the newly installed Terry Pratchett exhibit. We will then have the amazing opportunity to work with Charlie James, who is a fantasy artist. (Please see enclosed leaflet.) We will also be taken on a tour of the Museum, looking at a number of local artefacts and pieces of interest.

As we will be walking to and from the Museum, children should wear school uniform and comfortable school shoes that they are able to walk in. They should also have a coat suitable for the weather. If it is raining, we shall still walk, so it would be very useful to bring an umbrella. We will be leaving school at 9:00 am and will be back for clubs and home-time at 3:00pm.

Please could you provide a packed lunch, so that we can eat together at the museum? Children will need to carry this themselves, so please ensure it is in a suitable container or bag.

There is no cost for the trip or workshop, as the Pratchett family have generously provided this at their expense. We are very lucky to have secured a place at this super event.

Please complete the permission slip below, to give consent for your child to take part in the trip.

I give permission for my child \_\_\_\_\_

workshops with  
fantasy artist  
Charlie James  
9 – 13 October 2017**

This is a major exhibition running from 16 September 2017 to 13 January 2018 based on the extraordinary life of Sir Terry Pratchett, the creative genius behind the *Discworld* series. Follow his journey to becoming one of our best known and best loved writers. This unique exhibition will include artwork by the man himself and treasured items owned by Sir Terry which have never previously been on public display. Also featured will be over forty original illustrations by Paul Kidby, Sir Terry's artist of choice.

For just one week in October we will be hosting artist Charlie James to work with schools.

Much of Charlie's work could be described as 'fantasy,' making him ideal for helping your class explore the exhibition and create their own art.
