Dear Parents/Carers

Salisbury Cathedral Trip

On Wednesday 14th October, Class 1 will be going to Salisbury Cathedral to participate in a Materials workshop. This is a fantastic enrichment opportunity to bring our materials topic to life! From stone, to wood, to glass, there will be an opportunity for the children to think about their properties and find out their uses. The children will be able to have a go at stone carving, handle tools and experience age old techniques. They will be encouraged to consider the properties of the materials, find out about their uses and create their very own medieval encaustic floor tile using air dry clay. They will be experiencing tessellation puzzles, fascinating authentic metal objects and artefacts. The children will extend their understanding of place, time and the fabric of the Cathedral.

We will be taken to the Cathedral by minibus and we plan to arrive at 10.00am. We will return to school by 2.30pm and the children will be picked up from school at the end of the day. The workshop will be managed by the education department of Salisbury Cathedral and the cost of the trip is £4.00 per child. This is a voluntary contribution but if the cost of the trip is not met it will be cancelled. We will be having lunch at the Cathedral so please provide a packed lunch for your child. If your child is entitled to free school meals then we will provide a packed lunch. I need two parent helpers so if you would like to help and join us on the trip please contact me.

Kind regards

Miss S Priestley

We know that God loves us; We show it by being loving, honest and respectful.
