Class 3 visit to Stonehenge

Dear Parents,

As you know we have been busy planning our curriculum for this year and we have planned lots of exciting enrichment opportunities to inspire and enhance our learning.

To help further understand the Stone Age and the Neolithic Era, we have organised a trip, including a specialist led workshop, to Stonehenge on **Thursday 23rd January 2025**. Understanding local history is invaluable and we are incredibly lucky to have such a historic landmark on our doorstep. Our workshop is called Neolithic life at Stonehenge and will take us back in time to the Neolithic period as we learn how to survive, strive and thrive at Stonehenge! We'll complete interactive challenges, including model building and rope making; get hands-on with replica Neolithic artefacts, and even prepare for Solstice in a reconstructed Neolithic house.

To allow this event to go ahead, we are requesting a contribution of **£11.85** per child. This will go towards the cost of paying for the expert led workshop and the cost of the coach to transport us. We are very excited about this experience and we cannot wait to learn more about our local history.

If we do not receive sufficient contributions, we will need to consider whether the visit can go ahead.

Please arrange payment via the school app.

Yours faithfully,

Miss Mundy and Mrs Donson
Class 3 teachers

We know that God loves us; We show it by being loving, honest and respectful.
