Dear Parents/Carers,

I am writing to update you on an important change to Sunrise Breakfast Club provision for pupils eligible for Pupil Premium funding.

As you may know, we have been offering free breakfast club places to Pupil Premium pupils. We believe that starting the school day with a healthy breakfast helps pupils to focus and learn. However, the cost of providing free breakfast club places has increased, and unfortunately, it is no longer sustainable for the school to continue covering the full cost.

From the start of the new term in January, the school will cover **half of the cost** of breakfast club for Pupil Premium pupils, rather than the full amount. This means that families will be asked to contribute the remaining half of the cost if their child attends breakfast club.

If your child is eligible for Pupil Premium and currently attends breakfast club free of charge, this will continue until the end of term 2. If this change causes any difficulties for your family, please contact the school office as soon as possible. We are committed to supporting our families and will do our best to help.

We understand that changes like this can be challenging, and we appreciate your understanding and ongoing support.

Please don't hesitate to get in touch with any questions or concerns.

Best wishes,

Joanne Fernie
