3 November 2026

Dear Parents/Carers

This term our enquiry question is 'How can we live a healthy life?'. As part of this enquiry, we will be learning about where our food comes from and also designing and making some healthy food.

To enhance the learning, class 2 will be visiting Salisbury market on Tuesday 17th November to explore some of the food available and also find out where different food items come from. Whilst there, we will also buy some items that we can use for our cooking. We will travel to and from the market by bus. Children will need to bring a packed lunch with them in a small backpack that they can carry for the day. Please remember no fizzy drinks and to ensure the lunch is nut free. Children should wear school uniform top, but may wear a pair of plain tracksuit trousers and trainers (please no jeans) if they wish. We will be outside for a large portion of the day so please ensure children have a warm, waterproof coat.

To cover the cost of the trip and also 2 cooking sessions in school we are asking for a contribution of £5.

We hope these activities will help to enrich the children's learning.

Thank you for your ongoing support.

Mrs Staplehurst
