Year 4 Maths Information Meeting

Dear Parents

At the beginning of June each year, children in Year 4 sit the 'Multiplication Tables Check.' This is a statutory assessment that children of this age take part in across the country. The purpose is to see if children can recall their times tables facts **fluently**, which is essential for future mathematical success.

On the evening of Monday 18th March, Miss Smith (Year 4 Class Teacher) and Miss Hodgson (Maths Lead) will be holding an information evening for parents of children in Year 4 in order to outline what children are expected to know and how their knowledge is assessed. We will demonstrate how the test takes place, how it is structured as well as giving lots of practical ideas about activities that can be done at home to support learning times tables and establishing rapid recall of facts.

The meeting will be held in Class 4 at 5:45pm and will be no longer than 30 minutes. We do hope that you will be able to join us. Please can you indicate whether you are able to come along by clicking on the "**Invitation**" button on this email in the School App, or by emailing the school office (admin@st-andrews-laverstock.wilts.sch.uk).

Yours sincerely

Miss Smith and Miss Hodgson
