Dear Parents,

## Residential Visit 2027 (for current Year 4 and 5 pupils)

Great news, we have provisionally booked a 3 day visit to Osmington Bay, Dorset, from 21-23 June 2027. We have visited this site several times already and some of you may have older children who have enjoyed visits there with us.

We firmly believe that these trips provide a safe, secure and challenging environment for children to develop new social skills and responsibilities in an "away-from-home" situation. As staff, we welcome the opportunity to interact with children in a different setting and, of course, the whole experience is both educational and enjoyable. The children always thoroughly enjoy their activities and the experience of having their own shared room for a few days!

### Accommodation and Food

PGL has a well-designated area of 3 – 4 bedrooled chalets in a section of the upper half of the park; each chalet has its own bathroom. There are also shared blocks nearer the main centre where, again, the rooms all have their own bathrooms. All meals are provided during our stay.

### Activities

All activities are carried out by qualified instructors who have been recruited for their friendliness and enthusiasm, and for their suitability to work with children, as well as their specialist training. The Centre is licensed under the Adventure Activities Licensing Regulations 1996. Further information is available on the centre website <https://www.pgl.co.uk/en-gb/adventure-holidays/centres/osmington-bay>

### Safety

Naturally, safety is our prime concern and I am satisfied that the Company's attention to safety is second to none. In addition, accommodation is guarded by safety patrols at night. All instructors are qualified First-Aiders and there is also a Duty Instructor on call "after hours" to deal with any emergencies.

### Cost

The estimated cost is £370 including the cost of transport.

As we don't yet have a final price, we are unable to set up a payment plan. We will be sending out more information when we have it and how to pay on the new Arbor app.

I appreciate that the estimated cost is more than some families are able to pay and we don't want anyone to miss out, so if the cost is going to be a barrier to your child attending, please come and have a confidential
