Dear Parents,

Class 4- Trip to The Living Rainforest

On Thursday 27th June, Class 4 will be visiting The Living Rainforest in Hampstead Norreys. This will provide a 'hands on' start to Class 4's new Science topic for the term and links directly to our Rainforests topic.

The children will learn how plants and animals have adapted to suit living in a rainforest environment. They will also take part in a guided tour with a member of the Living Rainforest team. The tour discusses the different layers of the rainforest including microhabitats and how adaptation can lead to evolution over time.

We will be leaving school at 8:45am by coach and plan to arrive at the Living Rainforest by 10:00am. Please ensure your child/ren brings plenty of drinks for the day. They will also need to bring a packed lunch in a disposable bag. We will be leaving The Living Rainforest at 2:00pm and should arrive back at school by 3:15pm.

Children should wear school uniform for the visit appropriate for the weather conditions. The cost of the trip (including coach travel, entrance and workshop activity) is £20.12 and has kindly been subsidised by the Friends of St Andrew's. Please pay and give permission on the app in the usual way.

If you are available, and would be happy to work with a group on the day, we would be most grateful. Please could you email admin@st-andrews-laverstock.wilts.sch.uk to let us know if you are available.

Miss L Smith
