

## Year 5 Parent Planner - Autumn Term 1 2023 — Natural Resources

### Possibilities

Which helps our children to build aspirations and become open-minded, inquisitive learners.

As open minded learners we will be finding solutions to a range of problems and consider different lifestyles and values.

### Spirituality

Which helps our children develop an appreciation and respect of the intangible. (Truth, love, goodness, compassion.)

In our Spiritual and Moral development we will increase our ability to reflect and develop our feelings and emotions and their impact.

### Community

Which helps our children to build an active understanding of their world

As active members of the community we will develop our understanding of the 'world community' and how we play an integral part.

## AREAS OF LEARNING

As **Readers** we will.....

- Read and analyse 'Sky Hawk' to improve our comprehension and inference skills, using evidence in the text to support our responses.
- Read a range of texts for pleasure and discuss and share ideas.

As **Writers** we will.....

- Write instructions on 'How to save an Osprey' and use technical language.
- Focus on imagery, using a range of figurative language in our writing so that we can create a vivid picture in the readers' minds.

As **Mathematicians** we will .....

- Develop our number and place-value knowledge.
- Learn how to compare, order and calculate with decimal fractions (decimals).
- Use this knowledge and apply it to calculate with money.

As **Scientists** we will ....

- Look at separating mixtures and solutions, and also study reversible and irreversible changes.
- Investigate everyday materials and compare their properties and uses.

As **geographers** we will..

- Explore the physical geography of the UK. And find out about the natural resources available to us, and also their uses.
- Explore how energy as electricity is generated.

As **artists** we will ....

- Explore illustration and use a range of materials to create our own book illustrations for 'Sky Hawk'.
- Continue to build upon our skills of drawing, looking at tone, texture and mood.

As **musicians** we will ....

- Listen to and appraise rock anthems, including 'Livin' on a Prayer' by Bon Jovi.
- Sing, play instrumental parts and learn new notation, improvise, perform and share.

As **sportspeople** we will ...

- Develop our ball skills by practising football. We will begin to look at tactics and game plans.
- We will also be developing our attack and defence skills in invasion games.

As **computer scientists** we will ...

- Develop our understanding of computer systems and how information is transferred between systems and devices.

The key questions we will investigate in RE are :

'Creation and Science: Conflicting or Complementary?'

"What does it mean if God is holy and loving?"

'Was Jesus the Messiah?'
