Homework

Each week a phonics sheet related to our learning will be sent home with your child. This does not need to be returned to school, but if it could be completed it will give your child the opportunity to practise their phonics skills and apply it to their writing.

Please listen to your child read daily, as this will really help to develop their fluency and comprehension skills.

If you have any questions, please do contact one of us.

The Big Question we will investigate as **Faith Explorers** is 'Why is belonging to God and the church family important to Christians?'
