

## Year 1 Parent Planner - Autumn 2023 - Wonderful weather

### AREAS OF LEARNING

#### As **Mathematicians** we will...

- look at different ways of sorting and grouping objects.
- develop our understanding of place value up to 10.
- become secure with our number bonds to 10.
- form all digits correctly.

#### As **Scientists** we will ....

- study the seasons, looking in particular at Autumn, observing the changes in weather and the environment around us.
- Look at ways to record the weather, such as measuring rainfall with simple equipment

#### As **Readers** we will...

- sharing a variety of stories and develop our inference skills by predicting what may happen next.
- explore fiction and non-fiction texts linked to the weather.
- explore and share a variety of different books during book enjoyment time

#### As **Writers** we will...

- begin to form simple sentences using capital letters and full stops.
- use adjectives to describe the weather.
- Create simple non-fiction texts about the weather
- write labels for our construction toy creations

#### As **Artists** we will ....

- explore mark making using different materials such as charcoal, pencil, chalk and watercolours
- mix and match colours, particularly looking at the colours of the different seasons and weather
- explore simple printing techniques

#### As **Designers and Makers** we will ....

- develop our construction skills by designing and building our own weather measuring devices
- use outdoor materials to build structures to develop our role play.

#### As **Computer**

##### **Scientists** we will ....

- become more familiar with the different components of a computer
- develop our keyboard and mouse skills
- explore a range of apps on the IPADs.

#### As **Geographers** we will ....

- name and locate the four countries of the UK and their capital cities
- learn that the UK has seasonal weather patterns with cold winters and hot summers
- learn about hot and cold climates and the equator
- look at different types of extreme weather

In **RE** this term we are focusing on Christianity. The key question we will investigate is: Who made the World?

#### As **Musicians** we will .....

- sing and clap different rhythms
- listen to music and compose group music using instruments

#### As **Sportspeople** we will ...

- develop the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping.
- Please make sure that your child has a named P.E. kit in school at all times.**
