

Year 5 Parent Planner - Summer 1 2024– Medieval Salisbury

How can a building tell a story?

As **Readers** we will.....

Read the book Wonder by R J Palacio.

- Use inference to understand characters actions and motives
- Use quotes from the book to support predictions

As **Writers** we will.....

- Write a balanced argument
- Write a formal letter
- Write a narrative from another characters point of view
- Write poetry linked to class reading book.

As **Mathematicians** we will

- Continue to develop our understand of fractions and how to complete calculations using fractions.
- Use our knowledge of fractions to understand decimals and percentages.

As **Scientists** we will

- Learn about the life cycles of mammals, birds, insects, reptiles and amphibians.
- Investigate the links between gestation periods and life span
- The human life cycle
- Discuss different stages of human life including babies, adolescence and puberty and old age.

AREAS OF LEARNING

As **Artists** we will

- Look at the work of sculptors who use pottery.
- Learn about Laverstock pottery.
- Use clay to make slab pottery pots.

As **Historians** we will

- try to answer the question how can a building answer a question?
- Learn what it was like to live in Medieval Britain.
- Understand why the first cathedral was built at Old Sarum and the reasons for its move.
- Discuss what Salisbury was like after the move of the cathedral.

As **Musicians** we will....

Learn to use voice and instruments to create an ensemble performance.

As **sportspeople** we will ...

- Learn about athletics
- Practice our skills needed for sports day

As **Computer Scientists** we will

- Learn about databases.
- How to update and maintain a database

The key question we will investigate in RE is: How can Brahman be everywhere and in everything?
