

St Andrew's Knowledge Organiser - I am a Superhero

My Senses

sight	Your eyes let you see all the things around you. You need light to see.	
hearing	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.	
touch	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!	
taste	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.	
smell	You smell using your nose. Your nose can tell if things smell nice or not nice.	

Parts of the Body

Some real life superheroes:

The season - Autumn

In **autumn**, the **weather** begins to get colder. The leaves start to fall from the trees. The amount of **daylight** becomes less. This means the daytimes are shorter and the night times are longer.

September, October and November are the months in **Autumn**.
