

# Year 5 Parent Planner - Autumn 2022 - Shake It Up

## Possibilities

Which helps our children to build aspirations and become open -minded, inquisitive learners.

As open minded learners we will be finding solutions to a range of problems and consider different lifestyles and values.

## Spirituality

Which helps our children develop an appreciation and respect of the intangible. (Truth, love, goodness, compassion.)

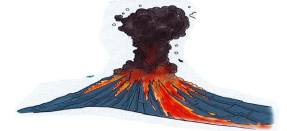

In our Spiritual and Moral development we will increase our ability to reflect and develop our feelings and emotions and their impact.

## Community

Which helps our children to build an active understanding of their world

As active members of the community we will develop our understanding of the 'world community' and how we play an integral part.

## AREAS OF LEARNING

### As Readers we will.....

-Read 'Sky Hawk' to improve our comprehension and inference skills, using the text to support us.

-We will read a range of fiction books for pleasure and discuss and share ideas as a class.

### As Writers we will.....

-Write instructions on 'How to save an Osprey' and use technical language.

-Try to create imagery in our writing so that we can create a vivid picture in the readers' minds.

### As Mathematicians we will .....

-Develop our number and place-value knowledge.

-Learn how to compare, order and calculate with decimal fractions (decimals).

-Develop our skills using short division and short multiplication.

### As Scientists we will ....

-Look at living things and habitats. We will learn about life cycles and reproduction in plants and animals.

-Investigate everyday materials and compare their properties.

### As historians we will...

Look at historical events involving Earthquakes and Volcanoes and their impact on the world as we know it.

### As geographers we will..

We will look at the physical geography of the UK. We will find out about the areas around the world where volcanoes are active. We will also explore earthquakes.

### As artists we will ....

Explore book illustrators and use a range of materials to create our own book illustrations.

### As designers and makers we will ....

Design a 3D moving volcano, selecting suitable materials, evaluating and improving our designs.

### As sportspeople we will ...

Develop our ball skills by practising football. We will begin to look at tactics and game plans.

We will also be developing our team work in 'football rounders'.

### As computer scientists we will :

Look at the history of technology, learn how to stay safe on the internet and develop our word processing skills.

The key questions we will investigate in RE are :

'Creation and Science: Conflicting or Complimentary?'

"What does it mean if God is holy and loving?"

'Was Jesus the Messiah?'
