

# St Andrew's Knowledge Organiser - I am a Superhero

My Senses		
<b>sight</b>	Your eyes let you see all the things around you. You need light to see.	
<b>hearing</b>	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.	
<b>touch</b>	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!	
<b>taste</b>	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.	
<b>smell</b>	You smell using your nose. Your nose can tell if things smell nice or not nice.	

Some real life superheroes:

The season - Autumn

In **autumn**, the **weather** begins to get colder. The leaves start to fall from the trees. The amount of **daylight** becomes less. This means the daytimes are shorter and the night times are longer.

September, October and November are the months in Autumn.
