

Year 3 Parent Planner - Summer 2022—Raging Rivers.

As Geographers we will.....

. Learn about rivers, investigate changing states of water, explore the rivers of our locale and great world rivers.

In PSHE we will understand how to build relationships and friendships.

We will learn about changes and get ready to move on.

AREAS OF LEARNING

As Readers we will.....

Analyse a range of fiction and non-fiction texts in order to model our own.

Develop our predictions skills and how we use evidence from the text to back up our ideas.

Share our ideas and opinions about the class story.

As Writers we will.....

Use The Bathers at Asnieres as a stimulus for writing an adventure story (Take One Picture).

Use a film as a focus.

Learn and perform a poem.

As Mathematicians we will

Learn about unit and non unit fractions.

Learn our times tables fluently including multiplication and division facts..

Explore parallel and symmetrical lines.

As Scientists we will

Learn about plants.

Explore animals including humans.

As Artists we will

Use different media to create pictures of rivers and use the techniques of artists who have painted rivers.

Learn to sketch.

As Designers and Makers we will

Design and make clothes out of paper.

Make and design a healthy picnic.

As sportspeople we will ...

Develop our ball skills by practising cricket. We will begin to look at tactics and games plans.

We will go swimming.

As Computer Scientists we will

Learn to program and test using Scratch Junior.

The key questions we will investigate in RE are:

Does joining the Khalsa make someone a better Sikh? Do Sikhs think it is important to share?
