

Student Acceptable Use Policy Agreement Foundation / KS1

This is how we stay safe when we use technology:

- I will ask a teacher or suitable adult if I want to use the laptops / iPads.
- I will only use activities that a teacher or school adult has told or allowed me to use.
- I will take care of the laptops, iPads and other equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I will talk to my parents/guardian at home about new websites or apps I would like to play on, so they can help me stay safe.
- I know that if I misuse the equipment in anyway, I might not be allowed to use a laptop or iPad in school.

As the parent / carer of the above pupil, I understand that the school has discussed the Acceptable Use Agreement with my son / daughter as part of whole school commitment to e-Safety both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the Internet.

I understand that my child's activity on the ICT systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-Safety.
