

### **3 YEAR PUPIL PREMIUM STRATEGIC PLAN**

### Organisation

The Pupil Premium Strategic Plan is organised into 3 sections and based on the long-term approach to Pupil Premium planning recommended by the DfE and the Education Endowment Foundation (EEF).

| Section   | Focus  | Contents   |
|-----------|--|--|
| Section 1 | School context & approach to the PPG         | Philosophy, school context & barriers to learning, implementation, review and accountability |
| Section 2 | Long term (3 year) overview (2020 – 2023)    | Setting long term goals to reflect the school context  |
| Section 3 | Academic Year Action Plan & Impact Statement | Action plan for the current academic year, funding and evaluation of impact                  |
|           |  | •  |

### **SECTION 1**

### SCHOOL CONTEXT & APPROACH TO THE PUPIL PREMIUM GRANT (PPG)

#### **PHILOSOPHY & PRACTICE**

We believe in maximising the use of the Pupil Premium Grant (PPG) by utilising a long-term strategy which is fully aligned to our School Improvement Plan. This enables us to implement a blend of short, medium and long-term interventions, which effectively coordinate use of Pupil Premium and wider school improvement strategies for maximum impact on pupil outcomes.

We build our practice around the 7 areas of principle (below) and have adopted the Education Endowment Foundation (EEF) recommended 'tiered' approach to define our priorities and ensure balance. Our tiered approach comprises three categories: **Teaching, Targeted Academic Support & Wider Strategies.** 

| Area of Principles                       | School Practice   |
|--|---|
| Whole-school ethos of attainment for all | <ul> <li>We actively ensure that teaching and learning opportunities meet the needs of pupils eligible for Pupil Premium. We do this by really getting to know each pupil as an individual, understanding their unique context and learning needs. We seek to build on their interests and strengths.</li> <li>We ensure that appropriate provision is made for pupils eligible for Pupil Premium. As a school community we actively prioritise the needs of any pupil facing challenging circumstances. We work together to ensure each pupil is assessed and actively pursue positive outcomes for each individual person.</li> <li>Pupil Progress meetings provide focus for regular discussions about this group of pupils.</li> <li>We recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.</li> <li>Pupil Premium funding is 'pooled' for maximum benefit to the greatest number of children. It is allocated following a needs analysis which identifies priority classes, groups or individuals.</li> <li>All our work through the Pupil Premium is aimed at accelerating progress, reducing any gaps and improving the personal development of pupils. Pupil Progress meetings provide focus for regular discussions about this group of pupils as does the monitoring work carried out by our named Governor for disadvantaged learners.</li> <li>We focus on the qualitative aspects for PP children including all things that cannot be measured.</li> </ul> |
| Addressing behaviour and attendance      | <ul> <li>We ensure effective behaviour strategies are in place</li> <li>We respond quickly to poor attendance and work with families to improve the situation</li> </ul>  |

|  | <ul> <li>We provide strong social and emotional support, including working closely with families through our parent<br/>Support Advisor</li> </ul>  |
|--|---|
| High quality teaching for all            | <ul> <li>We aim to deliver 'quality first teaching' and provide consistently high standards across the school by setting expectations, monitoring performance and sharing best practice</li> <li>Interventions are delivered by Teachers and Teaching Assistants</li> </ul>   |
| Meeting individual learning needs        | <ul> <li>We:-</li> <li>identify each pupil's challenges and interests.</li> <li>Seek the best strategies to help each pupil make the next step in his or her learning.</li> <li>Provide individual support for specific learning needs and group support for pupils with similar needs.</li> <li>Provide social and emotional support regularly for all children where appropriate</li> </ul>                                     |
| Deploying staff effectively              | • We aim to devolve responsibility to frontline staff, use our best teachers to work with pupils who need the most support and train Teaching Assistants to effectively support pupils' learning  |
| Impact driven and responsive to evidence | <ul> <li>Using both, qualitative and quantitative data effectively, and other evidence, to identify pupils' learning needs, ensures that reviewing progress regularly addresses underperformance and need in a timely manner.</li> <li>Having manageable Assessment for Learning systems, provide clear feedback for pupils.</li> <li>Use evidence and evaluations to make decisions about further support strategies.</li> </ul> |
| Ambitious leadership                     | <ul> <li>We have high aspirations and lead by example.</li> <li>We hold all staff accountable for raising attainment and do not accept low aspirations and variable performance.</li> <li>We use best practice within, and beyond, the school and invest in staff training regularly.</li> <li>There is a clear ethos for all to achieve</li> </ul>   |

The following tables support understanding of our school context and are used to identify areas of strength and development (long, medium and short term)

|                | OVERVIEW OF SCHOOL CONTEXT |                |              |                  |              |                  |              |                  |              |                  |              |                  |              |                  |

SUMMARY OVERVIEW OF SCHOOL BARRIERS (ACADEMIC & NON-ACADEMIC) IDENTIFIED TO ADDRESS THROUGH THE PUPIL PREMIUM GRANT (PPG)

- A number of pupils eligible for PP also have significant SEND. This impacts on attainment across all areas.
- Levels of resilience lower in some pupils eligible for PP. This impacts on attainment and ability to 'perform well' in a test situation
- Gaps in learning in some pupils eligible for PP.
- Whilst Personal Development outcomes are 'good', a significant number of pupils lack self-esteem and the resilience to approach pressured situations, such as tests.

External barriers (issues which also require action outside school, such as low attendance rates)

- Some pupils eligible for PP not able to access suitable resources and space to complete their home-learning
- Attendance rates for a small number of pupils eligible for PP reduces school hours and causes gaps in learning.
- Some pupils eligible for PP not able to fund trips and After School Clubs
- Lack of parental support re homework and daily reading etc.

### **IMPLEMENTATION PROCESS**

We believe in selecting a small number of priorities and giving them the best chance of success. We use the EEF Implementation Process Wheel to support and inform the development of our strategic Pupil Premium plans. In our implementation, we will:

**Explore:** what problems are we seeking to solve in the academic year? Are there adequate solutions, in the form of evidence-informed practices or programmes?

**Prepare:** do we have a clear, logical and well-specified plan? Do staff fully understand what is being implemented and how? What is the readiness of the school and staff to undertake these changes?

**Deliver**: how best can staff best deliver upon new approaches? Are there mechanisms in place to improve their use over time? Can we reinforce our approaches with initial training and continuous wrap around support?

**Sustain**: how do we best maintain new practices, for both staff and pupils, across a full academic year? How we will nurture motivation and ensure that we acknowledge and support good practice?

#### **OUR REVIEW PROCESS**

We believe in evidence-based interventions and learning from our experiences, which is why we carry out termly Pupil Premium progress review meetings, and on-going checks during interventions to ensure clear progress from a pupil's baseline and towards end of year objectives. To ensure our approach is effective, we will cease or amend any interventions that are not having the intended impact. A detailed summary of evaluation of all interventions is reported to the Governors at the end of Aut/ Spr/Sum. The progress of pupils in receipt of the PPG is regularly discussed (termly) with teachers at pupil progress review meetings. At the end of full term, we fully evaluate the impact of all our actions and strategies on pupil outcomes and use this information to inform next steps.

### ACCOUNTABILITY

The Local Governing Body has an allocated Governor with oversight of the impact of the Pupil Premium Grant (PPG) and outcomes for pupils. Governors scrutinise the school's strategy for using the Pupil Premium Grant on an annual basis as well as monitoring the attainment and progress of disadvantaged pupils during the course of any academic year. They receive a termly report on qualitative and quantative data on all PP children as well as an evaluation of the interventions that are used to support these children.

The Headteacher and Pupil Premium Leader is accountable for securing high standards and positive outcomes for all pupils in receipt of the PPG and, often, Performance Management for all school staff reflects this priority.

Ofsted inspection reports on the attainment and progress of disadvantaged pupils in receipt of the PPG.

The school is held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium eligible cohort; however, they will not look for evidence of the grant's impact on individual pupils, or on precise interventions.

The school annually publishes its evaluation of the strategy for using the Pupil Premium Grant (PPG) and for the current academic year on the school website.

#### FUNDIN

### SECTION 2: LONG TERM (3 YEAR) OVERVIEW

### SETTING THE PRIORITIES

Setting priorities is key to maximising the use of the PPG. Our long term priorities are identified in our 3 year strategic overview and progress towards them outlined in a detailed action plan relevant to each academic year (see Section 3). When establishing our priorities, we draw on research and evidence to understand strategies that will have maximum impact on pupil outcomes and relate them to the EEF tiered approach.

### SECTION 3: ACADEMIC YEAR 2020/2021 ACTION PLAN & IMPACT STATEMENT

Areas for development reflect the EEF tiered model approach and support achievement of the school 3 year strategically planned outcomes:

**Tier 1 Teaching**: Objectives that ensure effective teaching in every class and support teachers to keep getting better (Professional development; Training; Support for Early Career teachers; Recruitment and retention)

**Tier 2 Targeted Academic Support**: Objectives that link interventions to support classroom teaching, and includes teachers and Teaching Assistants (Structured interventions; Small group tuition; 1:1 support)

**Tier 3 Wider Strategies**: Objectives that relate to the most significant non-academic barriers to success in school, including attendance, behaviour and social and emotional support. Linked to the needs of the community (Behaviour strategies; Breakfast Club; Increasing attendance)
