Sports coaches have had a direct impact on both the children's development in physical education and the teachers' ability and confidence in teaching areas of the curriculum. Children have enjoyed having external and expert coaches as it provides them with high quality sports provision. They provide the children with high quality and diverse sessions ran by qualified coaches. Numerous skills were developed throughout the sessions and multi-skills were incorporated to support the development of the children. In addition to this, the coaches have worked closely with teaching staff to deliver these sessions and further assist them with their teaching. 2. Lunchtime and after school clubs ran by PH sports have given the children more structure and a variety of sports, in addition to receiving additional teaching points and increased participation. 	Ensure that sports are rotated annually to ensure staff are able to implement CPD skills learned

To provide an on-going calendar of festival / tournaments across KS1 and KS2 for the year 2. Provide opportunities for Teachers CPD 3. Training for Students as Leaders of Sport 	£1000	<ol style="list-style-type: none"> 1. Pupil's participation in external sporting activities has remained high as a result of our involvement. Pupils continue to participate in sporting competitions and festivals in school and beyond. The cluster/district events provided competitive and inclusive opportunities for children of all abilities. Here they had the chance to experience new sports, develop existing knowledge and ability, and subject themselves to competitive but supportive environments. They will also receive the benefits from access to high quality facilities. 2. Subject leader gains knowledge of upcoming festivals and events, in addition to the available coaches, resources and CPD in the area. Leader also discusses PE within schools with other specialists and supporting staff. They are then able to feedback to school's staff. 	Aim to participate in new festivals and competition to offer a broader range of sporting opportunities
	<ul style="list-style-type: none"> Swimming <ol style="list-style-type: none"> 1. To subsidise cost to parents 2. Support release of TA as swimming instructor 	£1000	Swimming lessons are led by a qualified instructor and provided the children with high quality sessions where they have the opportunity to learn and develop their swimming ability, as well as improving their water confidence. Children's enjoyment for swimming has increased and the lessons have greatly enhanced the amount of time the children spend in the water. Enables us to provide additional swimming session above what is required from the curriculum.	N/A

<ul style="list-style-type: none"> Resources 1. Hockey Goal Keeper Kit 	<p>£500</p>	<p>A higher quantity and improved quality of equipment allowed teaching staff to deliver high quality lessons and extra-curricular clubs. Each child had more opportunity to practise and develop skills with age/height suitability, along with smaller groups sharing equipment, which ensured greater participation and differentiation as well as accelerated progress of skills.</p>	<p>N/A</p>
