10th September 2024

Dear Parents,

Class 3 visit from the Wiltshire Wildlife Trust

We hope the children have enjoyed the start of term as much as we have. They have settled brilliantly into life in year 3. We have been busy planning our curriculum for this year and ensuring we have lots of exciting enrichment opportunities to inspire our learning.

To help launch our Geography and Science topics this term, we have organised a workshop with the **Wiltshire Wildlife Trust** on **Tuesday 17th September**. A visitor from the Trust will be coming to school to lead a session on Soil, Rocks and Fossils. This will involve asking questions such as 'What is soil and why is it important?', 'How are fossils formed' and 'Can you make new rocks?' They will be bringing lots of hands on resources for us to investigate and we will have the opportunity to make our own fossils.

To allow this event to go ahead, we are requesting a contribution of £3 per child. This will go towards the cost of the session and resources. We are very excited about this opportunity and know it will spark interest and learning for the rest of the term.

Please arrange payment via the school app.

Yours faithfully,

Mrs Donson and Miss Mundy
Class 3 teachers

We know that God loves us; We show it by being loving, honest and respectful.
