September 2024

Dear Parents and Carers

Thank you for signing your child up to take part in Young Voices 2025. We will send more information about the day in due course once we have finalised all the details.

At this stage we would like to invite you to sign up to the Young Voices Music Room. From here your child will be able to access all the practice videos and tracks. There is quite a lot of music and dance moves to learn. We will cover everything in choir sessions but it is important children practice at home to enable them to fully take part on the day.

From the music room you will also be able to book audience tickets. If you are planning to come and watch the evening concert on the day, we would recommend you book these tickets very soon as they do sell out quickly. We are being told these need to be booked by 30th September, after this time they may not be available. The booking system for tickets this year is different to previous years and we believe the tickets will be sent to us to distribute. If you book a ticket please could you let us know so that we can ensure the right people get tickets. On the day we may have some limited seats available on the coach for any parents wishing to travel with us, we will confirm this once we know choir numbers.

Please use the link below to access the designated area for our school.

Thank you for your support and I am looking forward to starting rehearsals.

Kind Regards

Mrs R Staplehurst
