

# Briar Patch

## Club

A different club every day, varying from, Lego club, cooking club, board game club, art club, film club, gardening club, 'make it' club (Hama beads, bracelets, woodwork/carpentry sets, science experiments, junk modelling) and much more!

Do you or someone you know need before and after school childcare?

My name is Hailey and I am a fully qualified childcare professional with over ten years of experience.

I am a childminder based in Winterbourne Gunner, providing before and after school clubs

in a safe and stimulating home environment, whilst offering a variety of fun and educational activities and resources alongside breakfast and a home cooked meal at the end of the day.
