4/1	<b>Epiphany</b> (6 <sup>th</sup> January)	<a href="#">The Three Wise Kings</a>	<a href="#">Matthew 2:1-12</a>	Have a collection of objects that could be gifts. Get the class to suggest whom they would be suitable for (e.g. rattle-baby, game/toy - child etc.) Read The verses in Matthew and discuss the 3 gifts the Magi bought. Why were they unusual gifts for a baby? Explain the significance of the three gifts and how they link to Jesus' future.	Mon - KW zoom Tue - Class Weds - AH rec Thurs - Class Fri - Celebration
11/1	<b>Healthy Lives</b>	<a href="#">Whose Health?</a>	<a href="#">3 John 1:2</a>	Read <a href="#">this quote</a> from Martin Luther King together and discuss what it is telling us. At this time of year, we often focus on the health of our bodies, however the health of our minds and spirits are also of huge importance. Think of ways we can look after each other's mental and spiritual health as well as our own. Use the following <a href="#">news story</a> to reflect on who is looking after people's health. 18/1	<b>Justice</b>	<a href="#">Song Ishmael - Justice</a>	<a href="#">Hebrews 13:16</a>	Discuss what justice can mean - there are a few ways it can be interpreted - we are going to consider it in terms of being fair. Discuss times when we've said 'It's not fair.' What are we expressing when we say this? Use some ideas from section 2 of <a href="#">this link</a> .to investigate how we can be more fair and just with each other.	Mon - KW zoom Tue - Class Weds - AH rec Thurs - Class Fri - Celebration

25/1	<b>The 7 'I am' Sayings</b>	<a href="#">John 8:12</a>	<a href="#">John</a>	Start the worship in a darkened room. Light the candle and say the opening greeting and response. Reflect on what the room was like at the start of worship and how this felt. Compare that with how it look and we feel now the candle is lit. Just as a light shows us the way in the darkness and brings clarity, so Jesus brings light to those who follow him.	Mon - KW zoom Tue - Class Weds - AH rec Thurs - Class Fri - Celebration
1/2	<b>The 7 'I am' Sayings</b>	<a href="#">John 10:11-18</a>	<a href="#">John</a>	Reflect on the other 6 'I am' sayings from John's gospel and try to explain the relevance of some. In particular, look at John 10:11 and make comparisons between a shepherd, his flock and Jesus and ourselves.	Mon - KW zoom Tue - Class Weds - AH rec Thurs - Class Fri - Celebration
8/2	<b>Gentleness</b>	<a href="#">Gentleness - Fruit of the Spirit</a> <a href="#">Gentleness KS2</a>	<a href="#">Psalm 18:35</a> <a href="#">Proverbs 15:1</a>	Reflect on and share times when we have to be gentle with things. Why do we do this? (Prevent them becoming damaged or broken.) We also need to be gentle with each other, for the same reasons. We can sometimes mend objects, but it is trickier to mend feelings, so gentleness is important. Think of and share ways in which Jesus was gentle (Groups could role-play these.)
