

SNAG

This year SNAG has been quite interesting. They have gone round to all the classes and asked for their input on our questions, for example, different Tuck ideas. The classes had different ideas therefore, it was hard to choose.

We settled for some ideas, some very good and some a little high on sugar. Beetroot brownies was a good one as well as cheese biscuits. Everyone in the school had a strong debate on Sprouts for our Christmas dinner, we haven't gathered in the votes yet but hopefully it will bring out the best. SNAG had a little taste test with Yeo Valley Yogurts.

The flavours were terrific, thank you Mrs Carpenter.
