

On 19th October 2021 SNAG had a meeting about their class's favourite meal. Our favourites turned out to be; roast dinner, fish and chips and brunch.

SNAG also asked art club to design some new special table awards, which will soon be in use. We have also tried out some new menu items including spaghetti hoops and rhubarb cake for dinner and pudding, which are already proving popular.

Xmas Dinner

On Wednesday 15th December, St Andrew's had Christmas dinner which was delicious as always, thanks to Mrs Carpenter and her team.

As we couldn't all be in the hall together this year, we had two sittings to keep us all safe. We all pulled our Christmas crackers with friends and enjoyed a lovely meal. The governors kindly provided us sweets and fizzy drinks as a treat. In the afternoon, we had a visit from Father Christmas himself and enjoyed receiving a special Christmas gift to enjoy before the end of the day.

A huge thank you to everyone at school who made this possible.
