BOCCIA (CURLING)

On Wednesday 19 January, four children from year 5 were taken to a curling competition by Mrs Foord. They were split into two groups, Although this was called Boccia it is very similar to Curling (at the Winter Olympics but not on ice). We have a set of stones at school that we use in PE sometimes and the team were able to practise a bit before they went.

It is quite hard to get the stone into the middle of the target. Their first match was against Old Sarum, unfortunately, St. Andrew's lost the first match. It was believed that during the practice we scored a shocking bullseye, their second match was against Greentrees. Fortunately for St Andrews they won!

This tournament was held in Wyvern St Edmunds.

GYMNASTICS

On Friday 11th February, Mrs Morgan took a group of year 3 and 4's to participate in a gym competition. They really enjoyed taking part in it and they came **SECOND** out of 9 schools.

They had to complete a floor exercise and a vault jump as individuals and then their scores were all added together. They received a certificate and a silver medal. Well done.
