Dear Children

I hope the weeks are passing quickly for you all and that you are now getting more familiar with using our remote learning. We have loaned out more than 15 laptops now and if you are trying to do your work on a phone or tablet, please ask Mum or Dad to get in touch and we can loan you a laptop.

We hope that after half term we will be hearing from the Government about when we will be opening our school so that we can all be together again. I'm sure you will all be wanting to see your friends and perhaps be in school to do even more learning! Some of you are to be congratulated for the amount of work you are doing and consistently each week too – well done. I know it is hard doing it on your own without being in school. But for now the Google Meet and Zoom calls seem to be keeping you all in touch and you are able to ask the teacher for some help.

In the cooking session this week, we made Maids of Honour and a lot of the families had never eaten them before. Harry M's dad said he remembered them from he was a boy (me too!). The hard bit was the beating of the margarine and sugar (but I did see some muscle in the background helping out!). My deputy demonstrators were Beau and Sophie from Year 6 this week and they did really well because they didn't get a lot of help (Sophie's arm ached quite a lot). Thank you to those of you who joined in, we all really enjoy it. Next week we shall be making a whole meal – main and dessert so if you want to join us, even if you only make one of the dishes please see ingredients and link below.

The next cooking session will be at the same time next **Wednesday 10 February @ 1.30pm** . Remember the only rule is YOU have to help with the washing up! We welcome anyone who hasn't joined us yet – the more the merrier!

We know that God loves us; We show it by being loving, honest and respectful.

We will be sending out an end of term Newsletter next week (although it won't be as many pages as usual because we haven't done as many activities as we normally do). But there will still be some celebrations/awards and our totals for Athletics and Housepoints.

Finally, we may all be separate this year for World Book Day (4th March) – any suggestions on what we could all do that would be fun and we could ALL do?

Keep safe and continue to do your reading!

Love from Mrs. Walker
