

Saint Joseph's

CATHOLIC SCHOOL

Dear Parent/Carer,

We are going to be offering a unique taster experience to year 5 pupils from St Andrews School. Whilst the taster day on Weds 3rd July was a great success and an enjoyable experience for all pupils, we are conscious that not all pupils had the opportunity to experience some of our fantastic new facilities. As such we would like to offer your child the opportunity to attend St Joseph's to take part in a 'healthy eating' morning transition experience on Tuesday 9th July.

We have run this workshop with other primary schools and it has always been well received. It consists of creating healthy pizzas in our state of the art food technology room and also devising a song relating to healthy eating in our new music room.

The ingredients that you need to provide are:

- 100g Plain flour (please ensure that this is weighed out in advance of the lesson. Bring in a sealed container.)
- 1 tube of tomato puree
- 1 onion
- 3 Mushrooms
- 1 other topping of their choice
- 1 Ball of mozzarella cheese or 100g of chosen cheese
- A box to take the pizza home in

Pupils will go to St Andrews as normal on Tuesday 9th July and will then make their way to St Joseph's accompanied by members of staff for the morning session.

I do hope that you will take advantage of this unique experience and I look forward to welcoming your child back to our school.

Yours sincerely,

Mr Rooney
Assistant Headteacher
St Joseph's School
